COURSES & CERTIFICATIONS

MERN Stack   Jul 2023 - Mar 2024
4Achievers Pvt. Ltd.   *Noida, India*

PROJECTS

Online Shopping

- The online shopping system provides a user-friendly interface allowing customers to easily browse and purchase products from various categories.
- The system includes features such as detailed product descriptions reviews and ratings to enhance the shopping experience.
- Designed and implemented secure user login and logout functionalities using Firebase Authentication, ensuring seamless integration with the backend system.

Expense Tracker

- Designed and implemented a user-friendly expense tracker app using JavaScript and MongoDB, allowing users to efficiently track and manage their daily expenses.
- Enabled tracking, providing visual analytics for spending patterns and financial management.
- Incorporated secure login and logout functionalities to ensure user data privacy and integrity.

ACHIEVEMENTS

Agile Project Activity

- Winning Agile requires embracing its principles: adaptability, collaboration, and iterative development. Foster a culture of transparency, continuous improvement, and customer focus. Empower teams, communicate effectively, and prioritise delivering value. Flexibility and responsiveness drive success.
